CHAPTER “E”
STONES RIVER WINGS
 SMYRNA, TENNESSEE

May 2016
Volume 1, Issue 4

Directors

I can't decide on the reason; is it that I'm getting older and forgetful or is it that I enjoy riding so much that I feel like I'm not riding enough. At first thought, I think April is over and we are well into May and we haven't ridden much at all this spring, then I start thinking back and realize we have been riding quite a lot considering all the other activities we as a Chapter have been involved in. This spring we have ridden to visit several chapters, three dinner rides, Sunday afternoon rides and rides after

several meetings on Saturday. Then there was Spring Fling, what a great five days spent with our Chapter E members and so many other GWRRA friends. The weather was really good for riding and enjoying all the attractions at the rally and the many things that the Pigeon Forge area had to offer. I'm so glad the decision was made to return Spring Fling to Pigeon Forge. Our ride to the rally on Wednesday, the ride to Clingmans Dome, Cherokee and Deals Gap (The Dragon) on Thursday and the ride back home on Sunday was not only enjoyable, but it was safe and without incident and we are so thankful for that. Well, maybe one small incident with a braking situation but we won't classify that as an incident, we will call that a valuable learning experience for all. If you missed those rides you missed some fun times and we missed you.

Looking forward we have several rides in the planning stages, activities for the rest of May are our regularly scheduled meeting on May 14th, the ride to Roane Mountain State Park near Elizabethton, TN to attend Chapter C's Steak-Out on May 21st and our monthly dinner ride on May 24th to Pavilion number one at Lee Victory Park on Sam Ridley Parkway in Smyrna. This is a brown bag dinner, pack your dinner or stop by your favorite restaurant or fast food vendor, get dinner and come join us at the park for dinner, horseshoe pitching and probably a game of pass the trash, arrival time at the park is 6:00pm. A couple of rides we are planning are a ride to Cave City, KY to the KY District Rally August 19 and 20, our Chapter E Camp-out August 26-28 and a Fall Color Ride in October, the exact date to be determined. If you enjoy camping; several of our members schedule a camping trip for four or five days each month to a campground in Middle TN; everyone is welcome to join us on any of these camp-outs, if you are interested just give me a call and we will give you the dates and locations.

Next month at our June meeting on the 11th we will conduct the drawing for The Dinner Basket Fund Raiser to benefit St Jude Children's Research Hospital. (See conclusion of Director's comments, on next page)

Monthly Social: Shoney's Restaurant, 267 N. Lowry Street, Smyrna, TN
 Second Saturday monthly. Breakfast at 9:00 a.m., Social at 10:00 a.m.

**We are Friends for Fun
 Safety and Knowledge!**

(Chapter Director Comments, continued) We need to make a special effort to sell tickets for the drawing before that date, the more tickets we sell the more money we donate to the Kids. Remember; every dime we raise goes to St Jude, we don't take anything out for expenses, thanks to all our Chapter Members who cover the expenses out of their pockets. Don't forget the ride to St Jude to deliver our donations; the ride is on September 17th and 18th. This is an overnight trip so start making your plans and we will make reservations for rooms in the Memphis/ West Memphis area.

Now that I have thought about it I still want to ride more, so put on your thinking caps and see what interesting rides you can come up with; keeping in mind that you don't have to plan or lead the ride, just help with ideas and destinations. It's your Chapter and your input is wanted and needed.

Thanks and Ride Safe

Randy & Delores Galloway

What a time and great ride we had during our trip to, and from, and while at Spring Fling. We had roughly three days of great riding and I for one was glad that we are once again holding the annual Tennessee Rally at Pigeon Forge. It just doesn't get any better. It was my pleasure to conduct the Retention and Recruiting Seminar, and to attend the MEPC Seminar on the Area Report List. I hadn't known much about that product or the reporting requirements, but now understand the importance of, and how to handle the ARL. I was pleased to see 20 students at our Riders Education Co-Rider Seminar, conducted in conjunction with our May monthly Planning Meeting. Those completing the seminar were Jim & Brenda, Johnny & Brenda, Randy & Delores, Murray, Jeff & Geraldine, Nancy Broadway, Mary Ann, Walter & Barbara, Tim & Carol, Janice, Dennis & Marty, Barry & Connie. This session updated eleven of our Co Riders in the levels program. "Remember Safety is for Life".

Mac Mc Glothlin

Assistant Chapter Director

Membership Enhancement Program

Hey Everybody, Here we are closing out another Month and starting a new one. April sure went by fast but we had a lot of FUN with a little training mixed in. We hope everyone had FUN at Spring Fling. I know Brenda & I sure had a Blast. The Talent Show was Awesome and Max did a Great job as Show Host. For the ones that didn't make it you missed a great time and some good food. The Chapter tried some new places to eat and they were different but the treats at Mel's Dinner was one to remember. And we had a chance to make some new friends and even met a couple from Smyrna our chapter home town who wanted to join Chapter E. We look forward to Art & his wife being at our May meeting Saturday the 14th at Shoney's. I want to take a moment to Congratulate the Chapters that won Awards and certificates. It takes all of our Chapters to make a Great District & Region. So let's all keep up the great work and remember to keep Visitation Alive, and make MAY "A Month to remember".

RIDE SAFE & HAVE FUN

Johnny Victory & Brenda Lane

Chapter E Membership Enhancement Program

“RIDING IN A GROUP”

We have had an active riding schedule so far this year and overall, Chapter E riders have done a great job riding as a group and the results prove it. It may be a little redundant to review group riding with all of you but a review regarding safe riding is always timely.

When meeting up for a group ride, arrive at the departure site on time and ready to go with a full tank of gas and an empty bladder. Your motorcycle should be prepped and a T-CLOCS inspection done prior to your arrival. The riders and co-riders should also be prepped for the entire ride. Prior to departure, a riders meeting will be held where the leaders and tail gunners will be identified. Routes, fuel stops, lunch stops, and any concerns about the ride will be discussed. CB and hand signals should be verified and anyone without a CB should ride behind a rider with a CB. A group should be no more than 8 to 10 riders and split into 2 or more groups if necessary.

Once the ride starts, we ride in a staggered formation in most conditions as called for by the leader. In a staggered formation, the leader will take the left track of the lane and the next rider takes the right track. The rest of the group will follow in the same pattern at about 1 second intervals or 2 second intervals behind the motorcycle in the same track. The leader will call for a single file formation as conditions warrant. A single file formation is preferred on a curvy road, construction, poor visibility, poor road conditions, etc. We should automatically switch to single file when taking a ramp on or off an interstate and switch automatically to stagger when the maneuver is completed. When riding single file, keep the intervals at 2 seconds or greater as conditions warrant.

While riding, be alert to hazards called out by the leader. The co-rider can help in these areas by also watching for hazards and giving hand signals. The rider in the second position also needs to keep track of farther out hazards and help out the leader by announcing issues he (or she) has spotted. The leader will set and maintain the speed and the riders in the group should maintain the proper intervals. If riding conditions become more hazardous, increase the distance between yourself and the rider in front of you. We all know that keeping a perfect riding formation only occurs in a perfect world. So, if the rider behind you falls too far behind, slow down a little to allow him (or her) to catch up. This will hopefully allow the group to maintain a more steady speed without pressure to ride fast to catch up. Finally, keep track of the riders around you and watch out for their safety.

I'm not aware on any rules for CB use in the group, but we should be aware that it is the main channel of communication for the leader to use to alert the group of hazardous conditions. The tail gunner will repeat and acknowledge any communications the leader makes to the group. The CB is also for group use and I would like to suggest that if 2 riders transmit at the same time, the tail gunner request a repeat of the last communication if it is important to the group. Hopefully, only one person will respond. Some of us start talking before the CB is transmitting so my second suggestion is to trigger the CB and then start talking to cut down on confusion.

If a problem occurs where a rider has to drop out of the group, the rider will notify the leader via the CB and the tail gunner will drop out to assist if there is no place for the entire group to stop. The second to last rider in the group will become tail gunner. Once the group finds a place to stop, they will wait until the problem is resolved and continue on as a group. If we happen upon a motorcycle crash scene, we will stop and assist as warranted. Lastly, if anyone, for any reason, needs to stop, signal the need for a stop and the entire group will stop at the next convenient location. This is an unwritten law of the road for us. We like to ride but sometimes we just need to stop.

Ride safe, and see you on the next ride!

Murray Dunkin

Chapter "E" Educator

Motorcycle Awareness Month

The month of May is known as Motorcycle Awareness month. As the nation thaws out from the winter months, there are now more bikes out on the roadways. Awareness is of special interest, particularly for those of us who enjoy our most favorite pastime. You will see many things helping everyone look out for motorcycles from TV ads, look twice ads on the internet, and even the electronic road signs asking folks to share the road. While all of this helps to raise awareness that we are on the road, it is still our responsibility to help by doing whatever we can to be seen by the average driver. Even small things such as the color of your bike or cloths you wear, can help you stand out in a sea of other vehicles or while "tootalooing" on a curvy backroad. Let's remember when we suit up, not only do we want to be safe but want to stand out while still looking cool. We currently have one report from our participants about the Look Twice Save a Life yard sign campaign. Get yours into tm1024@comcast.net before the meeting to be entered into a special drawing.

Tim and Carol Moore

THE "E" MAC's

Remember "BE SEEN BE SAFE" while still enjoying the ride

As we look back over the past four and a half months, at our progress as a newly formed Chapter, it's refreshing to see the real progress that we've made and the togetherness that has developed among our participants. Aside from the common bond that we have in the hobby of riding motorcycles, it's interesting to note the commonalities of activities that we seem to enjoy as a group. The activities that we have chosen overtly interest the participants of the Chapter. We founded the Chapter as a motorcycle riding group, however there are a few activities that many of us have come to enjoy as a result of the friendships that we have within the Chapter. During the cold, non-riding months many of us met for bowling and a lunch on a weekly basis. As the weather warmed, the majority of us have enjoyed spending time together on monthly camping events and golfing. Our participation has been well above average in the arena of visitation to sister Chapters. Our turn out for attendance of Spring Fling, and willingness to help with the Chapter assigned work stations was above average, based on the size of Chapter E. The monthly Chapter dinner rides have been well attended and to some good eating establishments. Key leadership positions within the Chapter were filled rapidly, educational programs are in place, a strong volunteerism attitude throughout is noted, an informative newsletter is published and a strong fund raising activity to support the "Wings Across Tennessee" event, are all ingredients that have helped us to hit the ground running. We are already noting participant growth and have an active calendar established for the next few months. Chapter socials have been attended by a number of visitors, and have at times exceeded our expectations. Yes, we are Chapter E, The Stones River Wings, and a proud and active affiliate of the Tennessee District. Let us continue to grow, become a stronger Chapter, and continue to avoid the drama that plagues so many Chapters and organizations. There's just no room for Stinkin' Thinkin' in the Chapter.

Region N Directors

Region "N" Director Comments

Make plans to join us on May 20 - 21 for the Region Ride "N" at Hungry Mother State Park in Marion, Virginia. We are counting on you to make this event a success and we look forward to seeing you there.

CONVENTION SCHEDULE FOR REGION "N" DISTRICTS

May 20 - 21, APPALACHIAN REGION RIDE "N", Marion, VA

July 22 - 23, West Virginia (DOWN HOME REUNION), Summersville, WV

August 19 - 20, Kentucky Blast (WING'N THE CAVES), Cave City, KY

September 22 - 24, North Carolina (WINGS OVER THE SMOKIES), Cherokee, NC

October 6 - 8, Virginia, (RALLY IN THE VALLEY), Roanoke, VA

November 3 - 4, APPALACHIAN FALL FINALE, Johnson City, TN

Tennessee District Information

(Comments from Gary & Patti Hamilton, extracted in part from the Tennessee District Newsletter)

Wow! What a Spring Fling. We on the District Team want to thank all our Tennessee GWRRA members who helped us make Spring Fling 2016 a great success. The members told us that if you bring Spring Fling back to Pigeon Forge we will come, and that you did. Not only did our Tennessee members come but members from across the country. Our GWRRA members from Region N came out and supported us. Thank you North Carolina, Virginia, Kentucky, and West Virginia for your support. It was great to have your support. We also had a great turn out from our Region A friends. Thank you Alabama, Georgia, Florida, South Carolina, and Mississippi for your support. We also had our Friends from Region D, Ohio, Michigan, and Indiana. Spring Fling also has GWRRA friends from Oklahoma, Nebraska, Texas, and Canada. National also came and enjoyed the fun. We want to thank Bob and Nancy Shrader Deputy Directors for GWRRA for visiting us. Also we had the National Directors of Member Enhancement Larry and Penny Antony along with the International Couple of the Year Jim and Reba Berry. Thank you Jim and Sue Jackson the Region A Directors. Thanks to Glenda and Alan Keough Region N Directors and their staff. I cannot say enough about the Tennessee Chapters who came and helped us put this event on. We could not do Spring Fling without your help. Hope you enjoyed the ice cream. I cannot omit the District Team you did an awesome job. Thank you for what you do. I cannot leave out the vendors. They provide a reason many people attend the rally. We had a great turn out in vendors and they were a great bunch of people to work with. □

We cannot leave out the talent show. There were nine teams and every one of them had a great act. The entertainment between acts was a blast. Max Thomas put together a great program. The ladies from Chapter Y did a great job with their precision dance routine. The team from Georgia with their Archie Campbell act. Chapter O's dancing Ladies? Did I say ladies. Chapter A with Safety & their wild motorcycle gang. Where did Troy get that hairdo? The question I have is where did Chapter C get all those walkers? What about that F troop bunch on the trail herding cattle. On the serious side we had Bill from Chapter B and a couple from South Carolina sang for us. I'm just glad that I was not one of the judges. We do know that after the show there were people who came up to us and told us that the talent show was one of the best they had ever attended. All acts that entered were winners. It will be hard to beat this next year but lets try and double that. Oh yes, some from the talent show will be invited to perform at Wing Ding in Billings. Region N Director Glenda Keough was given that task of picking the contestants. I was contacted by Dixie Stampede that GWRRA had about 575 members in attendance for their show. We actually had more than that because some went up there and bought tickets out front on Friday and Saturday. I know Patti and I had a great time.

We were very lucky with the weather for the event. It did rain but only in certain areas. It did not rain at the event until closing ceremonies were in process, and had quit just as we closed. The rain also held back until we were in the Dixie Stampede and stopped after the show let out.

I know we did not announce where Spring Fling will be next year but It will be in Pigeon Forge. The dates are set for April 20-23. We are still in negotiation with Smoky Mountain Resorts. We will let everyone know as soon as we work something out.

Chapter E "On the Go"

On the way to Spring Fling, Brenda struck up a one-way conversation with Big Bird (in Sparta), but could not understand why he wouldn't respond .

Breakfast for the crew, before heading out for a full day of riding . We ate everything in sight.

It was a "wee bit" foggy on Clingmans Dome, but a really great ride from Pigeon Forge, just to get there.

(Above) We made it to the top of Clingmans Dome, where's all the beautiful scenery that we're supposed to be able to see? Oh well, it's all about the ride!

It cleared somewhat while we were there. I'll bet it's a beautiful sight on a clear day (only supposed to be a handful of days when it's clear up on the dome.

(At Right) Johnny gets a little help in shedding some of the rain gear that he rode in for the morning ride. It warmed up quite rapidly, and we were all ready to shed some outerwear. The rain stayed away, so it was a great day to "RIDE"!

Walter & Barbara enjoy the view from Clingmans Dome. Walter and Barbara both made the hike to the top of the dome, along with Brenda Lane. The first to complete the hike, and return, was Barbara. The others came along a few (well maybe more than a few) minutes later.

This was a photo of Barbara and Brenda before the hike. I wish I had taken a photo of Brenda at the conclusion of the hike. Barbara looked refreshed, and ready to go again. But, I'm sure Walter and Brenda had all of that Dome that they could handle.

Johnny & Brenda
And
Jeff & Geraldine
Had a great time riding
"You Gussed It"
The Dragon

And, although they had rode the Dragon on a trike a few times before, Ed & Mary Ann had to break in their Slingshot on the Dragon too. Some folks in a car behind them took an "awesome" Go Pro Film of the entire run.

Wouldn't you know it, we found another great catfish restaurant while cruising around Pigeon Forge. "We ride to eat, and eat to ride"

Chapter "E" Tid-Bits

It's still a long way off, but remember that the Chapter Camping Trip is scheduled for August 25 through 28 at the Long Branch Campground, just below Center Hill Dam. We have already reserved the majority of sites in the circle with the gazebo and fire pit, so looks like we'll have another great event.

HAVE YOU SEEN A MOTORCYCLE TODAY?

LOOK TWICE SAVE A LIFE!
MOTORIST AWARENESS DIVISION
GOLD WING ROAD RIDERS ASSOCIATION

We have only a limited supply of the Motorist Awareness Yard Signs (shown at left) available for sale. Cost is \$5.00 each and a great way to help promote the Motorist Awareness Program in the community. Buy yours now before the supply runs out.

Also, don't forget to report to Tim Moore the approximate number of persons within the community who may have viewed your yard sign, if you already have one. See Tim's article in this newsletter to determine how to estimate the impact of your yard sign.

St. Jude Children's Research Hospital
ALSAC • Danny Thomas, Founder
Finding cures. Saving children.

Please be prepared to turn in all Dinner Basket Drawing Donations and unsold Tickets to Ed & Mary Ann Grazier when you arrive at the Chapter Social on June 11. We will continue to sell tickets up to the moment when the tickets are drawn, but want to make sure that we wrap this project up on that date. All monies (100%) will be donated to St. Jude's Children's Research Hospital when we make the "Wings Across Tennessee Ride", so everyone's support of this worthwhile project would be greatly appreciated.

Reminder: The Chapter Group riding to the Roane Mountain Steak Out, will depart from Sloan's Motorcycle and ATC Super Center at 8:00 a.m. on Friday, May 20.

Get ready for the picnic in the park on the 24th, bring your dinner (bag lunch or fast foods treat) and be ready for some serious, but fun horse shoes and a "rowdy" pass the trash game. Barry has been bragging that he won the last pass the trash game, and that he's got it figured out as how to win. Sooooo, it's about time for someone to eat some humble pie.

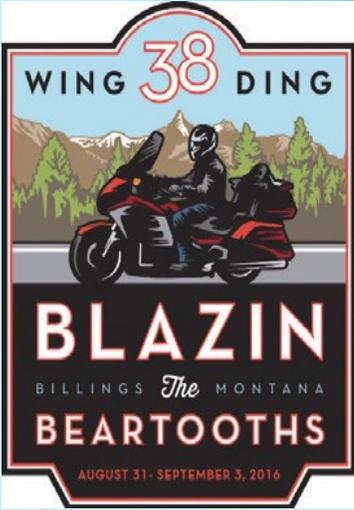

Above, Johnny, Brenda and Murray ride with Chapter A, providing an escort to support Graceworks "Ride The Vines" bicycle ride on April 23rd. The event, a one day ride from Eagleville to Bethesda to College Grove, benefits and provides clothing and furniture at reduced prices, or free, to families that have experienced extreme catastrophic emergencies, such as the flood of 2010.

GWRRA presents "Wing Ding 38"

Billings, Montana

August 31- September 3, 2016

Pre-Registrations must be postmarked before July 25, 2016

A list of available Hotels w/Rates, a registration form and a full description of available activities is listed in the latest edition of Wing World magazine

See the seven authentic adventures in Big Sky Country as mentioned in The May edition of Wing World Magazine

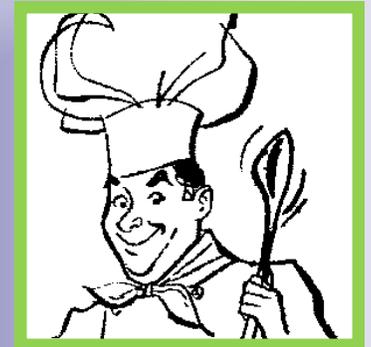

"Blueberry Torte"

Crust:

- 15 squares crushed graham crackers
 - 1/2 cup sugar
 - 1/4 cup melted butter
- Mix ingredients and pat into the bottom of a 9" X 13" baking pan

Filling:

- 8 ounce package cream cheese
 - 1/2 cup sugar
 - 2 well-beaten eggs
- Beat cream cheese with a mixer until smooth. Add sugar and eggs. Mix well. Pour over graham cracker crust. Bake 15 minutes at 375 degrees. Let cool. Once cool, top with one can of blueberry pie filling and one small tub of Cool Whip.
- Chill and serve.
